

Spring 2012 Awards Ceremony

Four new Queen's Nurses who are also enrolled on the Nurse First programme

The QNI Spring Awards Ceremony was held at The Commonwealth Club in London on 23 April. One hundred and fifty invited guests made this the biggest Award Ceremony we have ever held and there was a tremendous sense of occasion.

Three nurses received the Outstanding Service Award; twelve Fund for Innovation and Leadership projects leaders and 42 Queen's Nurses were presented with certificates at the event.
